

REFERRAL PLEDGE

To be part of the Roaring Agents Network you must agree to treat the agent and the referral according to this pledge. Once signed and sent to Mike Rohrig, you may use the Roaring Agents Network logo until requested by the Roaring Agents Network to stop.

The Referral Pledge

- To contact that referral lead as quickly as requested by the referral agent
- To quickly create the necessary referral paperwork with your brokerage
- To continue to reach out to the referred client until you make contact
- To keep the referring agent updated as often as decided between you two until you close with the client
- To ensure that the referring agent gets paid as quickly as possible
- To tell each other immediately if any issues arise in any part of the process
- To support each other when real estate gets messy as it sometimes does. No throwing anyone under the bus.

By signing, I pledge and agree to the above
